Salem Plant Department 316,

Update for the week of 5/11/20

There will be NO production on 2nd or 3rd shift in Paint or Metalizing.

First shift production will be limited, if you did not work the week of 5/4 or have a Manager/Supervisor contact you directly about reporting to work on 5/11 then you are still off on LOW.

If you have any questions, please contact Crystal Logan at ext. 4435.

Thank you,
Crystal Logan
