February 17, 2021

Alabama Team Members:

The North American Lighting Alabama facility is open for operations. On Wednesday, February 17th, our 2nd & 3rd shifts will start production as normally scheduled. On Thursday, February 18th, production will resume with a delayed start up at 9:00 a.m.

Please travel safely and contact your supervisor with any questions.

Thank you,

David Draper
North American Lighting, Inc.
